

### Tribhuvan University Evaluation Criteria (B.Sc.CSIT)

Theory course should have internal weightage of 20% and external weightage of 80%. For the course having lab work, the internal weightage is 20%, lab work weightage is 20% and external weightage is 60%. A student should secure minimum of 40% in each category to pass a course.

The final score in each course will be the sum of overall weightage of in all categories. There will be a separate practical examination for the 20% weightage of lab work conducted by concerned college in the presence of an external examiner.

The project work and internship are evaluated by different evaluators. To pass project work and internship, students should secure at least 40% marks in the evaluation of each evaluator and final score will be the sum of all the evaluations. For the evaluation of final presentation, an external examiner will be assigned from the IOST.

### Tribhuvan University Evaluation Criteria (BCA)

The students' academic performance during a semester is evaluated using the system of continuous assessment (Internal Assessment and External Assessment). The college or concerned department conducts the internal assessment during the session and the University conducts the external assessment (Final Examination) at the end of each semester. Final practical examination shall be conducted by the college or the concerned department and the university will send the external examiner.

Each course shall have internal evaluation marks of 40% evaluated by the concerned faculty member. Generally, each course will have a written end semester examination (Final Examination) of 60% marks at the end of each semester. The internal marks shall be awarded on the basis of constant assessment. Normally, final examinations are not conducted for elective courses and in courses which are offered as intensive courses conducted by reputed international scholars. The mark weightage and time allocated for different assessment is given below.

Examination Scheme(Subjects with Practical)				
Internal Assessment		External Assessment		Total
Theory	Practical	Theory	Practical	
20%	20% (3 Hrs.)	60% (3 Hrs.)		100%

Examination Scheme(Subjects without Practical)		
Internal Assessment	External Assessment	Total
40%	60%	100%

To pass in a subject, a student must obtain a minimum of 40% in that subject in internal assessment and D grade in the final examination. Students must pass 'Theory Internal Assessment', 'Practical Assessment' and 'Final Examination' separately.

### Tribhuvan University Evaluation Criteria (BSW)

Theory course should have internal weightage of 30% and external weightage of 70%. For the course having lab work, the internal weightage is 10%, lab work weightage is 20% and external weightage is 70%. For the compulsory subjects like English and Nepali, Internal evaluation (30%) will be based on internal examination, class presentation and attendance and external evaluation (70%) will be based on annual examination.

The final score in each course will be the sum of overall weightage of in all categories. There will be a separate practical examination for the 20% weightage of lab work conducted by concerned college in the presence of an external examiner.

The project work and internship are evaluated by different evaluators. To pass project work and internship, students should secure at least 20% marks in the evaluation of each evaluator and final score will be the sum of all the evaluations. For the evaluation of final presentation, an external examiner will be assigned from the TU.
