Subject: **Scholarship Support**

Dear Sir,

I am writing on behalf of Prayas Nepal, a charity organization that is dedicated to providing education and support to underprivileged children. We intend to request Samriddhi College to consider offering scholarships to two students under our care. These students come from underprivileged backgrounds and face financial barriers that prevent them from pursuing higher education.

We believe that by providing these students with the education aid they need, we can give them the opportunity to achieve their academic and professional goals. We also believe that this investment in the future of these young individuals will have a ripple effect, not only benefiting them, but also their families and communities.

We believe that Samriddhi College is the perfect place for these students to receive a quality education and reach their full potential. We are confident that the academic and extracurricular opportunities offered at your college will greatly benefit these students and set them on a successful path.

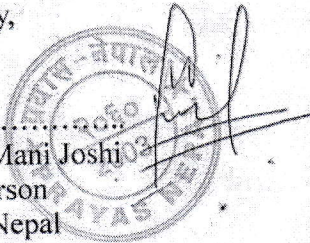

We would be grateful if your college could consider offering scholarships to these two students, and extend this scheme every year. We understand that this may require a significant investment, but we are confident that it will be a worthwhile investment in the future of these students and the community as a whole.

We look forward to the possibility of working with your college to make a difference in the lives of these deserving students.

Please note that the student's profile is enclosed herewith for your reference.

Sincerely,

Dear Chairperson,

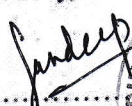

Thank you for your letter and for considering Samriddhi College as a potential educational partner for the students under your care. We are grateful for the work that SIFAL does to support underprivileged children and are pleased to receive your request for scholarships.

After a careful review of the student profiles, we are pleased to offer scholarships to both students for the upcoming academic year. We believe that every student should have the opportunity to receive a quality education and are committed to supporting these two students in achieving their academic and professional goals.

We look forward to working with Prayas Nepal and the students to ensure their success at Samriddhi College. To formalize this arrangement, we would like to propose a Memorandum of Understanding that outlines the terms of the scholarship and the responsibilities of all parties involved. Please let us know if this is acceptable to you, and we will proceed with drafting the memorandum.

Thank you again for considering us and providing us with the opportunity to make a positive impact in the lives of these deserving students.

Sincerely,

  
Sandeep Shrestha  
Principal
